Dear Kyle,

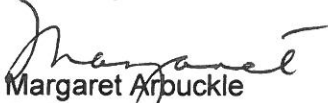

Thank you so much for your generous donation of supplies to the Teacher Supply Warehouse in Guilford County! The teachers, Guilford County Schools and all the partnering organizations are grateful for the support of local businesses like yours.

By documenting your tax-deductible, in-kind donation through Guilford Education Alliance, we are able to provide this receipt for tax purposes. You will need to assess the monetary value of your donation by consulting your tax advisor.

The Teacher Supply Warehouse is just one way Guilford Education Alliance is able to support education efforts in Guilford County. GEA also facilitates several different initiatives, reports and programs throughout the county. Your support of GEA will help make our mission of quality education for ALL county residents a reality. We look forward to partnering with you in the future for additional support of Guilford Education Alliance offerings.

Please let us know if you have any questions and we look forward to working with you again. Thank you!

Sincerely,

Margaret Arbuckle

The Guilford Education Alliance did not provide any goods or services in consideration, in whole or in part, for this contribution.

ATTENTION: Keep this receipt. Your contribution may make you eligible for a NC tax credit even if you don't itemize deductions on your federal taxes. See your state tax booklet. This can take dollars off your state income taxes and every little bit helps!
