Dear Faithful Supporter:

The Board of Trustees, staff, and volunteers of Guilford Interfaith Hospitality Network are humbled and grateful that you chose to support our work in 2008. Thank you for your 2008 contributions which totaled \$2,500.00.

Through your generosity and that of others, GIHN continues to provide shelter to homeless children and their families through our network of 56 local churches plus UNCG. This last month we served 16 children (including one born while in our care!) in 10 families. By coincidence, all these families were headed by single moms, but this past weekend we added two children and their single dad.

GIHN continues to be faithful stewards of your trust and resources. We anticipate another clean audit, which is currently in process. The Board of Trustees remains unwavering in its commitment to integrity of purpose and process. We honor your trust and guard it rigorously, as rigorously as we care for our guest families.

We hope you remain confident and committed to the mission of Guilford Interfaith Hospitality Network, providing shelter to homeless children and their families. We would again be humbled and grateful to receive your support in 2009. We pledge to continue our diligence to honor your gift by serving homeless children and their families here in Guilford County.

If there is ever anything we can do for you, or if you have any questions about your gift or our program, please do not hesitate to contact me.

Sincerely,

Clarke Martin
Executive Director
