GREENSBORO, N.C. – REAL TALK, the official podcast of the Greensboro Regional REALTORS® Association, was introduced in May 2023 as an additional way to inform the real estate community about relevant topics. This podcast is produced monthly by 2024 GRRRA President Marvette Artis, CEO Mike Barr and Director of Communications and Marketing Aidan Jensen.

We bring in a variety of guest speakers for each episode – those whom are already in the real estate industry, plus prominent local, regional and national figures.

Through the eight REAL TALK episodes already produced, we've been fortunate to be joined by GRRRA Immediate Past President Sofia Crisp, NAR Piedmont Triad Market President Robbie Perkins, Greensboro Mayor Nancy Vaughan, 2011 NAR President Ron Phipps, Guilford County Chair of Commissioners Skip Alston, plus longtime GRRRA members Sharon Dameron, Melissa Greer, Sandra O'Connor, Betty Smith and Virginia Warren-Hall.

In our May 2024 version of REAL TALK, we welcomed National Association of REALTORS® Chief Economist Lawrence Yun, who was the guest speaker at our May Luncheon! Dr. Yun spoke on REAL TALK about – amongst other topics – the housing market outlook, mortgage rate and inventory level impacts on home prices.

You can listen to Dr. Yun speak, plus all previous editions of REAL TALK, on our [YouTube Channel!](#)
