Greensboro Regional Realtors® Association Furthering Commitment to NAR's Realtor® Volunteer Days

GRRA's Realtors® Community Service Committee participated in Mitchell Street Park Clean Up, currently holding a Food Drive as part of NAR's Realtor® Volunteer Days

Greensboro, NC (May 8, 2025) – This May, the Greensboro Regional Realtors® Association will be participating in **NAR's 2025 Realtor® Volunteer Days**, giving local Realtors® an opportunity to showcase the time and effort they've dedicated, to the **Mitchell Street Park Clean Up and our Realtors® Community Service Committee's Food Drive**.

In partnership with the National Association of Realtors®, Greensboro Realtors® are being encouraged to join in on the nationwide philanthropic initiative, while maximizing the impact of their volunteer time.

On **Saturday, May 3**, members in our Realtors® Community Service Committee spent the morning collecting trash and bulk items at **Mitchell Street Park**, which is close to the Greensboro Regional Realtors® Association building.

Currently, our Realtors® Community Service Committee is currently hosting a **Food Drive through the end of June**, in which non-perishable foods are being collected at GRRA, to then stock food pantry shelves with.

"Across the country, 70% of all Realtors® volunteer monthly in their community. Giving back is part of who we are as both people and as professionals," said **GRRA 2025 President Mary Beth Powell**. "Together with NAR, we encourage local Realtors®, who have a heart for service and a passion for giving back, to participate in RCSC's Food Drive here in Greensboro."

As part of NAR's Realtor® Volunteer Days, which will be held the week of **May 10-19**, NAR is encouraging associations, brokerages and Realtors® nationwide to organize and participate in a local volunteer activity of their choice.

The Greensboro Regional REALTORS® Association, Inc. is a non-profit organization whose mission is to support its members in their business pursuits by promoting the highest professional ethics and being the primary provider for quality services, education and real estate information in the market area.
